MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of Senate Armed Services Committee, 11 January

1. On 11 January the Director briefed the full Senate Armed Services Committee and the Senate Subcommittee on Military Appropriations. Also present were seven staff members of the Committee, three or four people from Ward & Paul Printing Service, and three Senators who also serve on the Joint Committee on Atomic Energy. In the course of the briefing, certain information was included which was mentioned as being Restricted Data pertaining to Soviet nuclear weapons, their numbers and yields.

2. A question developed as to whether all of the Staff members present were entitled to receive this information. This poses a difficult problem for the Legislative Counsel since we cannot control the persons who appear at these briefings, their presence being at the discretion of the Chairman. We shall continue to keep this problem in mind and take steps that are practical under the circumstances. [ ] will work closely with [ ] DD/I, to this end.
